8. Application materials required

(1) Resume (photo attached)

If you have a history of being employed by Hiroshima University (as a TA, RA, researcher, etc.) in the past five years, be sure to state all positions you have held.

(2) List of publications and oral presentations (Number each publication/presentation, and underline the numbers of refereed articles. Affix an asterisk (*) to the numbers of your five major publications or presentations.)

(3) Five major publications or presentations (Reprints, photocopies, or books)

(4) Major educational activities and teaching experience

(5) Major social contributions

(6) Major activities in university/institutional management and administration

(7) List of acquired external funding over the last five years

(8) Statement of intent (Please describe your interests in teaching and research in approximately 1,000 words.)

(9) Names and contact information for references (Two persons)

9. Application deadline:

All application materials must reach us by [17:00 on Friday, June 30, 2017 (Japan time)].

10. Please send all application documents to the following address:

Professor Makoto Sakuma, Chairperson, Department of Mathematics,
Graduate School of Science, Hiroshima University
1-3-1 Kagamiyama, Higashi-Hiroshima 739-8526, JAPAN

* Print in red "Application documents for faculty open position in the Department of Mathematics (Geometry and Topology), Graduate School of Science" on the envelope containing the application documents and send it by registered mail.

11. Selection procedure

(1) Selection will be made based on all application documents submitted.

(2) Interviews will be conducted as needed. As a general rule, we will conduct simulated lessons in English. In such cases, please note that travel expenses will be the responsibility of the applicant. Applicants who pass the initial document review will be informed of interview date, time and format.

(3) Hiroshima University promotes a gender-equal society in accordance with the legislative intent of the Basic Law for a Gender-Equal Society.

12. Salary, etc.

(1) Annual salary system will be applied to successful candidates.

(Regulations Concerning Salaries of Hiroshima University Faculty Members Employed under Annual Salary System will be applied.)

(2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

13. Evaluation

We conduct individual performance evaluations for all Hiroshima University faculty members after their employment, numerically rate their performance, and salary and benefits are commensurate with performance indicators.

14. Miscellaneous

(1) Personal information obtained from application documents will not be used or provided to any third party for purposes other than the necessary procedures related to personnel affairs, salary, and welfare. Application documents of applicants whom we have decided not to employ will be returned to those applicants who desire in an appropriate manner, after the completion of relevant selection processes.

(2) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty as a member of the Academy of the University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school, research center and institute.
